

## Animal Client Information Form

### Your details

Date	
Name	
Contact Number	
Email Address	

### Your pet's details

Name	
Species	
Breed if known	
Gender	
Age	
Breeding status	

### General Health Information

Please disclose any current medical conditions that the reiki practitioner should be made aware of.

E.g. Pregnancy, heart conditions, implanted medical devices, contagious disease

Please note – you are under no obligation to discuss this information with the practitioner only to disclose the information in order for the practitioner to cater for your pet's specific requirements and to personalise the reiki treatments.

Please give details if your pet has received veterinary treatments recently or is currently on medication

Please give details of your pet's temperament E.g. tendencies to be aggressive, severe anxiety, areas on the body the animal does not like to be touched or no contact at all. This will help the practitioner decide whether they need to use protective equipment and how best to approach the animal so as not to cause any undue stress.

**Reason for Seeking Reiki Therapy**

Please give some information regarding the reason you are seeking reiki for your pet  
E.g. Relaxation, stress relief, specific ailment
